

ASX Trading Halt

Atlantic Lithium Limited (AIM: ALL, ASX: A11, GSE: ALLGH, "Atlantic Lithium" or the "Company"), the Africa-focused lithium exploration and development company targeting the delivery of Ghana's first lithium mine, advises that trading in the shares of the Company has been halted on the Australian Securities Exchange ("ASX"), effective 19 February 2026.

The halt was requested by the Company pending its response to an ASX share price query, and to address speculation in relation to the potential ratification of the Company's Ewoyaa Mining Lease (note that the Company is not aware of any developments since the announcement of 22 December 2025) and discussions regarding a potential corporate transaction.

The Company anticipates that the ASX trading halt will remain in place until the earlier of the release of the announcement, or the opening of trading on the ASX on Monday, 23 February 2026.

Trading in the Company's ordinary securities will continue as normal on the GSE during this period.

The Company will make further announcements as appropriate.

Authorised for release by Amanda Harsas, Finance Director and Company Secretary, Atlantic Lithium Limited.

This announcement contains inside information for the purposes of Article 7 of the Market Abuse Regulation (EU) 596/2014 as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018 ("MAR"), and is disclosed in accordance with the Company's obligations under Article 17 of MAR.

About Atlantic Lithium

www.atlanticlithium.com.au

Atlantic Lithium is an AIM, ASX and GSE-listed lithium company advancing its flagship project, the Ewoyaa Lithium Project, a lithium spodumene pegmatite discovery in Ghana, through to production to become the country's first lithium-producing mine.

The Company published a Definitive Feasibility Study in respect of the Project in July 2023. The Project was awarded a Mining Lease in October 2023, an Environmental Protection Authority ("EPA") Permit in September 2024, and a Mine Operating Permit in October 2024 and is being developed under an earn-in agreement with Elevra Lithium Limited.

Atlantic Lithium holds a portfolio of lithium projects within 509km² and 771km² of granted and under-application tenure across Ghana and Côte d'Ivoire respectively, which, in addition to the Project, comprises significantly under-explored, highly prospective licences.
